Heats:

1. Number of heats, and number of cars in each heat will be determined by the number of entries.
2. Timers will be assigned to each car in each heat and drivers have a two-minute contact rule. They must initiate contact with another car within two minutes or break their stick.
3. The most aggressive driver in a heat race will advance to the winner's heat and receive **\$100**, even if he/she is not one of the heat winners.
4. All cars that have not won a heat will be allowed to enter the loser's heat (if there is a loser's heat). The logistics will be announced at the drivers meeting and will be decided based on entries.
5. If either of the last 2 cars in a winner's heat get hung up or pinned, they will be pulled apart. Both cars will receive a fresh 2 minutes.

Judges primarily inspect for safety and conformation of the rules. However, it is up to the driver to ensure that their car is legal and safe. If you are found, at any time to be illegal you will be disqualified.

Note:

1. Drivers will be asked to carry sponsorship flags in the Grand Entry as a thank you for our sponsors' support. Winner of the previous year will carry the American flag and is the last one to enter.
2. A major disqualification requires a Majority of the Judges to be in agreement. The result of a Major Disqualification is no re-entry into the remainder of the events.
3. All Cars must be removed from the grounds by 12:00pm Sunday June 18th, 2023.
4. Remember to keep other vehicles to a minimum in the pit area. You are responsible for what is taken in!
5. Drivers and pitmen will not be allowed in other driver's pit area unless given permission.
6. Only driver of derby car or truck allowed in inspections. If you are a minor you may bring a parent or 1 pitman to the inspection.
